Subject: Corpus Drinking Water Incident - Draft Letter Memorializing May 11 Meeting with Ergon
Hi All,

Attached is a draft letter addressed to Ergon's outside counsel, Molly Cagle. It may be more detailed than Valero's, but that would be because Ergon is in a better, if not the only, position to know and explain what happened and the cause of it all. I thought it important to include a summary of that in this draft. Please let me know what you think.
